

2022

Impact Report

WAYSIDE
FOOD PROGRAMS

Thank you for reading our 2022 Impact Report.

This report is our way of celebrating and sharing with you what you have helped make possible in the last year. It is also an opportunity to provide details about our operations, finances, programs, and partners.

Each year, as I produce this report, I find myself reflecting in awe while simultaneously looking forward with excitement as we begin the growing season. This time of year, is one of renewal and light: the sun's warmth, the greens and yellows of the flowers and sprouting vegetable gardens, and drawn-out evenings for sitting outside. For Wayside, it means a renewed abundance of locally grown foods coming through our warehouse to share with our partners or to prepare for our Pop-up Picnics and Community Meals.

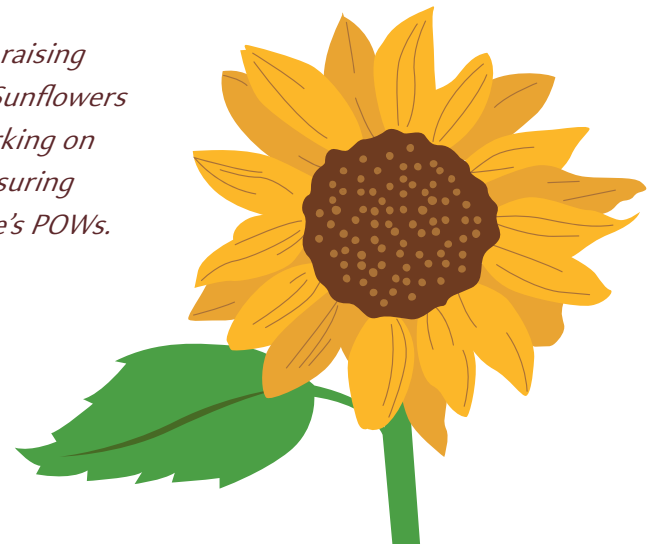

My good fortune in experiencing this cycle reminds me that it is a blessing and a privilege to live where I can enjoy that sun and share fresh vegetables and flowers from my yard. This year, I am also thinking of the people of Ukraine who, only a few years ago, also enjoyed the same change of season and the incredible bounty of sunflowers that their country produces for the entire world.

The sunflower (*Helianthus annuus*) has been a staple of Ukrainian exports for decades, flourishing in its dry, arid climate. Valued by pollinators with big, golden, and unapologetically cheerful heads always reaching for the sun, they have become a symbol of peace and resiliency. Since the war began, people from other nations have used sunflowers to symbolize solidarity with the Ukrainian people.

Maine farms and gardens will soon be supplying Wayside with their bounty of fresh, seasonal produce. Much like the Ukrainians' relationship with sunflowers, our farms and farmers have an inextricable connection with the people of Maine and are symbols of Mainers' resiliency rooted in our interdependence. Because the growing season is short, we value every donation of fresh produce and welcome the opportunity to share it with our community. We have so much to be thankful for this year. We hope you do too.

Since 2014, the Boston-based non-profit Sunflower of Peace has been raising funds to support the people of Ukraine. At the beginning of the war, Sunflowers of Peace focused their mission on supporting the needs of medics working on the front lines. Recently they have focused additional resources on ensuring access to high-quality trauma-informed psychological care for Ukraine's POWs. www.sunflowerofpeace.org

Increasing access to healthy foods

Shared enough groceries to make
19,500 meals
through Mobile Food Pantries

“Our work has shifted in the past year, as we also respond to the needs of people seeking asylum in our state, and coordinate with our partners to support our new neighbors [through a] collaborative, culturally appropriate food program in response to the growing number of asylum seekers. We prepare and distribute over 8,000 meals each month to families residing at at least 4 hotels. We cannot do this work without donations of perishable and non-perishable food items from Wayside. The Wayside team is truly generous of spirit!”

- Madeleine R. Saucier, Program & Community Engagement Manager, Maine Immigrants' Rights Coalition

Food Access For All, Partners:

Afghan Community of Maine
Angolan Community of Maine
Catholic Charities Elder Refugee Services
Gateway Community Services
Greater Portland Family Promise
In Her Presence
New England Arab American Organization
Portland Public Schools

Food Rescue

1,000,000
lbs of food waste kept out of landfills

shared food with
70+
partner agencies

60
food donors

“ Wayside is blessed with people who go out of their way to help us with our mission. The warehouse of donated foods, with coolers and freezers, is incredibly well organized. Fast, efficient, and with such good humor and camaraderie, that it’s FUN, our spirits lifted, and our hearts graced by their generosity. Our pantry would not survive without them.”

- Fran & Sue, Coordinators, First Baptist Church Food Pantry

Nourishing across generations

shared groceries and snacks with
20+
programs supporting youth

“We are serving an average of 250 individuals every month. Without our partnership with Wayside, we would not be able to adequately meet the additional food needs of our PPS multilingual families...While our multilingual students and their families experience many challenges, Wayside’s assistance greatly contributes to meeting the food needs of PPS’ food-insecure families.”

- Naila Wissa, Academic Enrichment Coordinator & Priscila Bitencourt, Social Worker, Mckinney-Vento Liaison, PPS

Catering Collective Partners:

City of Portland’s Cultural Orientations at the Point Church
East End Community School’s Family Dinners
Gerald E. Talbot Community School’s Homework Dinners
Reiche Elementary School’s Winterfest
Portland Adult Education Weekly Snacks for Students
Afghan Community of Maine Luncheons for Families & Students
Barbara Bush Children’s Hospital at Maine Medical Center

“

The whole team here still can't believe how accessible Wayside has made this for us. Our volunteers were SO excited about the groceries. We're looking forward to being able to continue to provide this valuable resource to our seniors at our monthly meetings.”

- Chloe Gray, Volunteer Coordinator, Foster Grandparent & Senior Companion Volunteer at The Opportunity Alliance

shared groceries with
2,600
seniors each month through the
Commodity Supplemental Food Program

Community Meals

Bringing community together around the table

20,500

shared meals

“One of the most important ways to help people feel welcomed & at ease with each other is with familiar foods & flavors. Wayside helps to advance the integration of immigrant families by providing snacks to our programs. Wayside understands food preferences of our immigrants & makes foods they will enjoy.”

-Claudette Ndayinahaze, Executive Director, In Her Presence

Guest Survey

92%

eat more fruits
& vegetables

94%

eat more well-balanced,

other expenses

Staying Local

“We partnered with Wayside to leverage their distribution capabilities and network. Together we have moved over 80,000 lbs of Maine produce to pantries and food sites. In addition, the produce is used in the prepared and frozen options Wayside creates. Our goal is to provide Maine-raised foods throughout the year and Wayside helps us meet that goal.”

- Penelope A. Jordan, President, Farms for Food Equity

“In 2022, Wayside, MFSC, & Farmers for Food Equity were awarded a grant to determine which Maine crops could be served in culturally appropriate recipes for the immigrant community. Wayside was critical to engage consumers for focus groups to sample ingredients that Maine farmers could provide through the food pantries or commercially from local businesses.”

- Ronald Adams, Chief Operating Officer, Maine Farm & Sea Cooperative

We are awed by all the ways you supported our community this past year. From the more than 350 community members who shared their time and gifts through volunteering to all the individuals, businesses, and organizations below who contributed to making our impact in 2022 possible.

“I am grateful to know that Wayside is such a phenomenal resource that will be able to support the MMC pantry in so many different ways. It was a particular pleasure to be there in-person and to see all of the beautiful relationships you have with different staff, volunteers, and community members. It is clear that you have created something very special – a place and programs where people feel very welcome and appreciated.”

“Wayside has been an exemplary partner to the City and our community. Most recently in June & October Wayside provided free healthy, culturally appropriate hot lunches to asylum seekers who attended our Cultural Orientation Sessions. Despite so many important presenters at this event, make no mistake the gathering over a preferred hot meal was a highlight of their experience & a shining light amidst their daily struggles. Wayside year after year shows us what it means to give back to their community and I am proud to work alongside them!”

- Chelsea Hoskins, Resettlement Coordinator, City of Portland Health & Human Services

Wayside Food Programs Staff: Back L-R: Marcus Boucher, Warehouse Assistant; Judy Anaman, Administrative Assistant; Laura Hamilton, Development Assistant & Metrics Coordinator; Emma Berry, Community Programs Manager; Morgan Ditmars, Kitchen Manager; Jeremy Ashe, Warehouse Manager. Front L-R: Chris Wilkes, Communications & Marketing Consultant; Nick Mitton, Program Assistant; Mary Zwolinski, Executive Director; Don Morrison, Operations Manager.
